

Naviance - Family Connection

To begin using Family Connection, go to the Caldwell website, select Academics, then College Admissions or go to <http://connection.naviance.com/caldwellacad>. Parents select “I need to register” then login with the registration code provided in the email recently sent to parents. Students should be able to login with their HeadMaster Online user name and password (to be provided in the May 3rd communication folder).

Family Connection is comprised of three components designed to serve both parents and students in the following areas:

1. MY COLLEGES:

College Search – lookup potential colleges based on selection criteria

College Lookup – research a specific college. There is a direct link to the college’s website.

Scattergrams – this tool allows you to visually see how you compare to Caldwell students who have applied to a particular college based on your GPA and SAT/ACT test scores.

Visit Schedule – See what colleges have scheduled visits to Caldwell through the school year. Students may “sign-up” next to the college name to receive an email that reminds them of the upcoming visit. We also list local college fairs on this page, and students can click on “sign-up” to see what colleges will be attending that fair.

Scholarship List – Click here for a complete listing of scholarships of which we receive notice. Many of these scholarships are from local, community or state organizations.

SAT/ACT Test Preparation

2. EXPLORE CAREERS:

Find areas of interest and explore potential careers clusters based on those interests.

3. ABOUT ME:

These are sections you may find helpful:

My profile – Includes basic biographical data and GPA’s

My Resume – By completing this resume with information about your accomplishments and talents, you can help us get a better understanding of how to help you effectively describe yourself to colleges. It may also help match you with local and state scholarship opportunities.

My Colleges - As you find colleges that interest you, we recommend that you add them to your list of “Colleges that I’m Considering”. If one of your colleges of interest visits Caldwell, you will automatically receive an email alerting you to the date and time of their visit. Also, as you apply to colleges, you will track the state of your application under “Colleges to which I’m Applying”.

My Journal – As you investigate colleges and start to develop or refine your college list, this is an excellent place to chronicle your thoughts and questions.

My Account – If you would like to change your password, you can do so here.
